Ikayuqti Inc. was designed and constructed specifically as a home for elders who are in need of assisted living care. In addition to providing care, it is a great opportunity for elders to remain in a village where they can continue to enjoy their subsistence food and cultural practices.

We at **Ikayuqti Inc.** understand how hard it can be to find an adequate home away from home and are grateful that you have considered **Ikayuqti Inc.** in your search. Thanks again, the steps and information to get into **Ikayuqti Inc.** are listed below.

Steps to get in Ikayuqti Inc.

1: Contact the administrator at IKAYUQTI INC., (907) 625-1656

2: Complete the IKAYUQTI INC. Resident Application Packet.

3: If you have a care coordinator, let him/her know you want to apply for IKAYUQTI INC. and she/he will begin the process of applying for State General Relief (GR) for Assisted Living Care and Medicaid, if appropriate.

4: You will need to have a medical provider complete the physician's report and TB Clearance which is a part of the State GR application packet

5: The IKAYUQTI INC. Administrator will then meet with the Care Coordinator and/or the caregivers to determine if IKAYUQTI INC. can safely and adequately meet the applicant's level of care.

6: The Care Coordinator will then submit the application for State GR, if necessary. If that is approved a move-in date can be set. If State GR is not necessary or an option, the Administrator will work with the family to set a possible move in date.

Paying for care is one of the major concerns elders and families have. In Alaska, assisted living home residents are required to pay all but $100 of their monthly income, then the remaining balance of the cost of care is provided through State GR or Medicaid, **for those who qualify**.

For those who are over resource or do not qualify for State GR or Medicaid, they will need to pay from their resources according to their level of care. **Level I care costs $9944 per month, Level II costs $10,444 per month and Level III costs $10,944 per month***. Basically, if someone has a regular monthly income of over $2901.00 per month and/or money in the bank exceeding $2,000.00, they will not qualify for State GR or Medicaid. Resident will have to pay out of their own resources until they become eligible to reapply for State GR and/or Medicaid.

If the resident is outside of Unalakleet, travel costs are the responsibility of the applicant. If the resident is on Medicaid, that can be an option. If the applicant is a tribal member, often times, they will help with the air fare as well. We will meet the applicant at the airport in Unalakleet if necessary.

Elders can bring personal items that will fit into their personal units and are acceptable under the IKAYUQTI INC. policies and procedures. Each unit at IKAYUQTI INC. comes with wall jacks for a telephone and cable TV; however, it is the resident's responsibility to provide the service for these. Residents are allowed to bring their own food and snacks; however, we provide three nutritious meals plus snacks per day.

It is good to bring family pictures, personal items etc. to put around the living space to make it feel more like your very own home unless it is a safety issue. The units are furnished with a bed, nightstands, table and chairs as well as linens and towels. If necessary, we do have hospital beds and electronic recliners available.

We encourage family and friends to come and visit as much as possible; the coffee and tea pots are always on. It is good to take the elder out for visits to family events, community events and out for holidays. IKAYUQTI INC. has a van that is used to provide transportation for the residents so we get them to church, potlatches, ball games and other community activities. Family members are encouraged to call anytime to check on the elder.

When possible, family members are encouraged to take the elder to medical appointments if they are in Unalakleet; however, IKAYUQTI INC. staff is available to do that as well. If a resident has an appointment outside of Unalakleet, IKAYUQTI INC. does not provide escorts; that is the responsibility of the family. IKAYUQTI INC. staff will notify the next of kin in the event of an emergency.

Feel free to call the IKAYUQTI INC. Administrator at 625-1656 (cell), email assisted.living@unkira.org with any questions. Our fax number is 615-4604.

Thank you again for considering IKAYUQTI INC. where "We honor our elders by providing safe and compassionate care and support in a culturally sensitive home."
